MESSAGE

from the Principal

Rajagiri has always bonded extremely well with our parents over the time. In retrospection, when we think of year 2022-23 after corona the parent community has surpassed themselves. Every year our PTA has incorporated myriad creative ideas in all the programmes to make memories in the minds of everyone in the campus. This year the PTA has been actively involved in Fabula, Kerala Piravi, Sports and PTA Fest. An innovative venture of the year is a business directory to connect our parents and the community around them. The directory interlinks people of all areas to correlate with each other and explore business possibilities. I hope this unique and connecting platform will be useful and enriching in future. I wish you all the best in this special endeavour of yours.

Yours Sincerely

MESSAGE

from the Vice-Principal

In today's dynamic market, building a personal connection between businesses and their customers has become a crucial aspect of achieving success. One unique approach to fostering this connection is through entrepreneurial networking events, where startup owners can meet and interact with each other, exchanging ideas and advice. Here we have a unique endeavour to connect people with their business interests and provide a platform for interacting with each other. I am happy to wish you all the best in this beautiful venture of the parent community.

Yours Sincerely,
Fr. James Aernat CMI
VICE-PRINCIPAL

From the PTA

Greetings to all!

We're glad to bring out the second edition of the Rajagiri Business Directory. We're deeply indebted to our Management, Sponsors and Parents who relentlessly support us in this endeavour.

As the PTA of Rajagiri Higher Secondary School we strongly believe that fellowship and connectivity among parents will help our children understand that interdependence is a path towards success.

The initiative of our Business Directory is to know each others profession and business activities and to build a strong fellowship.

Our business directory helps each member of the Rajagiri family to connect easily with people engaged in all endeavors in the society.

We express our heartfelt gratitude to the management, teachers and all parents who relentlessly worked for the release of this directory.

We thank all entrepreneurs and professionals for your valuable advertisement.

Let's all work and grow together.

Best Wishes,
Mr. Pradeep Subhash
PTA PRESIDENT

CMI (1904-1984) the then Provincial of Sacred Heart Province, Rajagiri, Kalamassery is the founding father of the school. He is reverentially remembered for articulating, nurturing and fostering the CMI mission of education at Rajagiri, a mission that is a continuous experience for the present stakeholders. The school grew in size and stature with the passage of time. Young Rajagiri was fondly looked after by Fr. Gregory Karotemprel CMI (former Bishop of Rajkot Diocese) and Fr. Aaron Vithayathil CMI who are rightly called the pioneers of the school. Over the years the school has been nurtured by a list of stalwarts as our helmsmen. Presently we have as our Principal Fr. Martin Mundadan CMI from 2017 onwards.

RAJAGIRI KINDERGARTEN

Kalamassery

Rajagiri Kindergarten which has already carved a niche for itself in the field of pre-primary education, came into existence in June 1992. Set in a serene atmosphere, away from the din and bustle of the city, Rajagiri Kindergarten is an artistically designed edifice tastefully done up and equipped and provided with ample facilities for work, play and recreation. Manned by a team of trained, professionally competent, devoted and dedicated teachers under the over-all supervision of the CMI Fathers, the school really is an extension of their homes as far as the tiny toddlers are concerned.
